

## Agents of Change Special Events Calendar Summer, 2005

### People Involved:

- **Agents** – high school students who have applied and were granted admission into the program. Rising sophomores and juniors.
- **CITs (Coaches In Training)** – high school students who have done Agents of Change before and are not yet in college.
- **Leadership Coaches** – facilitators for teams of Agents. Have been admitted to college. In college/graduate school or recently graduated.
- **Volunteers** – professionals who are fans of what we do, receive regular updates, give us advice, and help out here and there.
- **Internship Hosts** – people who host Agents in a professional setting.
- **The Community** – people who live or work in Greater Boston and beyond. Some of these people are served by our program, attend events, or act as volunteers.

**Default Schedule:** Unless otherwise indicated, Agents of Change runs from 9am – 4pm Monday through Friday from July 1 – July 31. Mondays and Fridays are for field trips, listed below. Tuesday/Wednesday/Thursdays are for LIA projects (mornings) and internships (afternoons). During LIA Project time, teams develop and implement their own community action projects with coaches. During internship time, the students split up to various assignments around Boston and the staff has meeting/planning time. Leadership Coaches work with their teams of Agents throughout the month of July. In August through the 19th, Agents define their own schedule with their internship hosts.

**How to Set Up a Visit:** Either send an email to [agents@envisionleadership.com](mailto:agents@envisionleadership.com) or call Jamie Bridges on the EnVision Cell Phone at 617-718-0225. Let Jamie know what day you are interested in coming to see, and she will let you know what time we are doing what, and where. She will also set you up with a point person on that day who can welcome you into the program and put you with a group of students if we are in smaller groups.
