

WAYS TO GET INVOLVED

Do you believe that one person can make a difference and that with the power of a team, we as a community can do so much more? The Agents of Change Team does.

What is Agents of Change? An innovative leadership development program that empowers a diverse team of high school students with leadership skills, mentorship, an internship opportunity, and resources to lead action projects in the community.

We encourage you to join our network! At our events and on our website, we will display a logo mosaic of all our sponsors and partners. Names will be listed if desired as well.
